Subject: Application of **Mr. Joao Jose Moreira Rato Rodrigues**

Application Granted and our official invitations are extended to you to assist us in our endeavors among the people of South Africa.

Dear Mr. Rodrigues

Thank you for your application to continue helping us in our mission here in Johannesburg. We are looking forward to resume the working relationship which has proven beneficial to all involved.

FAMILY CARE MINISTRIES is a Christian Fellowship dedicated to sharing God's Word and love with others. All our members are full-time volunteers who minister to people from all walks of life, giving of their time freely without receiving a salary or remuneration from any particular source. Here in South Africa, our personnel work in many places.

A dedicated team is engaged 2 days a week at Leeukop Correctional Prison, bringing personal care to the inmates, a ministry, which we have been involved with for 5 years, with continued wonderful results.

We also continue with the literacy and skills training in Diepsloot squatter camp, delivering food and clothing supplies for needy people.

We also actively use musical and awareness performances along with our children and teenagers in schools and institutions. Through these performances of songs and dance many lives have been encouraged in schools, old-age homes and other institutions. These performances take place mainly free-of-charge with the purpose of spreading God's Love to as many souls as possible.

Family Care Ministries will be providing you with board and lodging and take care of any travel expenses. In case of repatriation we will cover any expenses incurred. Your application is granted up to 5 years and renewable after that.

Should you have any queries or suggestions, please do not hesitate to contact us.

Kind Regards,
FAMILY CARE MINISTRIES
