

**G**reetings in the Name of Jesus!

**I** pray this one will find you well and happy, feeling the blessings from High in your life. From this side we surely cannot complaint. It wouldn't do a bit of good anyway.

**E**aster, the highlight of the moment, the celebration of the sacrifice Jesus went through for the sake of us all. And it's simple, we only need to accept Him as our Savior and King in order to be eligible to receive life eternal. He paid the price!

**S**o this year I had the pleasure of spending 3 sharing and worship days with the church here in Barberton, the church you have helped build with your donations. God bless each one.

**T**here was lots of praise, singing, even dancing, fellowshiping, sermonizing and enjoying meals together with the congregation.

**W**e were also able to procure enough wood for the partitions needed for the pre-school. We are now busy putting them together.

**I**n 2 Timothy 4:2, the Bible tells us Christians to be instant witnesses, whether it's convenient or not, which is to say we must, "Preach the Word; be ready in season and out of season; reprove, rebuke, and exhort, with complete patience and teaching."

**A**nd that's what makes me tick, what motivates me to go out and socialize, go out and do business, go out and be with people.

**A**s time takes me closer and closer to my 64th birthday I realize all the fears for the future have been nothing more than happiness stoppers that have tried to hinder my usefulness for God and fellow man, and woman. But on the positive they have also been sharp instructors on how to defeat them. It's simply one more fact of life and that's it.

**S**oon it will be time to return to Portugal, be available for the ministry there and attend to personal life matters, medical checkups and the like. The Lord has seen fit to set me up with this paradigm which sometimes seems a bit odd but who am I to argue with the One Who knows all things?...

**O**ne very important thing that I can't delay anymore is to have my eyes checked and update the prescription lenses. Getting quite limited in vision especially for reading.

**A**nother matter pending which needs to be addressed is the restructuring of the Aurora Missionary Action Association under which umbrella The Tchuma Tchato Project in Africa operates.

**O**ver here we still need to build a wall and gates so the pre-schoolers can have a safe environment when at recess, at the KIWCC, section 12, Barberton, Mpumalanga, South Africa.

**I**f you want to make a donation the account is;

**MISSIONARY JOAO RODRIGUES**  
**ACCOUNT NO: 9116390988**  
**SWIFT: ABSAZAJJ**

**I**n Luke 6:37-38, the Word states, "Judge not, and you will not be judged; condemn not, and you will not be condemned; forgive, and you will be forgiven; give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you."

**G**od bless!

**A**nd I will end this one with photos that tell a tale, and hope I can see you sometime soon to share these happenings in person.

**M**uch love in Jesus!
